NOTE.—(5) Total area of kharab and gomal left to the village should tally with the total existing area minus the total area taken from them. In this case the balance remaining falls short by 1,167·35 which is explained below—

Existing area	...	5,873-04
Area taken	...	1,511—37
Balance that should remain	...	4,361--07
Actual balance shown	...	3,193—12
Difference	...	1,167—35

Explanation for the difference.—

(i)	...	381·29	Omitted as it is included in Muthodi extension and Kagimanegiri (out of kharab and gomal) (*see* note 2).
(ii)	...	1,004.39	Omitted as it is included in Kagemanegiri State Forest (*see* note 3).
Total	...	1,389·28	
Deduct	...	221 93	Which is under coffee cultivation (*see* note 1).
Balance	...	1,167—35	

(6) Assessed occupied S. Nos. 135p—347 and 488—346 will be an enclosure, 159p—570 has been excluded as it is an A. O. 141p—238 and a portion of a cart track have been excluded as their formations are new and the S. No. 141p—238 is now A. O., in these two places, the line is deviated, as shown in the sketch.

(7) Survey No. 101—387 also is excluded as the S. No. is now A. O. S. No. 137—345 which is spoken of as an enclosure is A. W. and as there is nothing in Forest Settlement Officer's report to show that this should be left as an enclosure, the said S. No. is included in the area under proposal.

GENERAL SECRETARIAT

Dated 13th August 1945.

No. S. R. 505—L. W. 3-45-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942 as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in matter of the Industrial dispute between the management and Labour Association of the J. S. Beedi Factory, Mysore, on the question of enhancement of wages, grant of dearness allowance and bonus.

1046 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 34—44-45, dated 6th August 1945.

From

M. Navaneetham Naidu, Esqr., B.A., B.L.,
Chief Conciliator in Mysore.

To

Mohamed Ismail Sheriff, Esqr., B.A.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to make the following report under Section 12 (4) of the Mysore Labour Act relating to a dispute between the J. S. Beedi Factory Labour Association, Mysore, and the concerned Beedi Factory, in regard to the Demands (No. 1, for enhancement of the wage rate, No. 2, for grant of dearness allowance and No. 3, for grant of Bonus) made by the Association.

The Secretary of the said Labour Association gave a notice of change dated 4th February 1945, to the Proprietor of the said Beedi Factory, setting forth the following demands:—

Demand No. 1—Enhancement of the wage rate to Rs. 2 for thousand beedies rolled.

Demand No. 2—Grant of Dearness Allowance.

Demand No. 3—Grant of Bonus.

Demand No. 4—Settlement of Standing Orders.

The Proprietor of the Factory wrote to the Assistant Commissioner of Labour to the effect that in consideration of the raising of the rate of wages to Rs. 1-10-0 only for 1,000 beedies rolled and finished, it is not possible to consider these further demands of the Association.

The Assistant Commissioner of Labour, was not able to bring about a settlement between the parties. The case was then referred to this office by the Commissioner of Labour for initiating conciliation proceedings under Section 10 (3) of the Mysore Labour Act.

The case was accordingly registered as C. C. No. 34—44-45. Conciliation Proceedings were held at Mysore camp on the 2nd and 3rd August 1945 after intimation to the parties.

The Labour Association was represented by the President, Mr. Mohamed Peer, while the Proprietor of the Factory Mr. M. R. C. Basappa, was present for the Management. The Assistant Commissioner of Labour (Mr. G. N. Puttanna) was also present throughout.

All the four demands were taken up one by one and were fully discussed on both sides with the result that the parties did not come to a settlement in respect of demands 1, 2 and 3 while demand No. 4 was withdrawn by the Association.

For the purpose of this report (under Section 12 (4) of the Act I shall deal with the Demand) Nos. 1, 2 and 3 in respect of which the parties did not come to settlement.

Demand No. 1—This demand is for enhancement of the wage rate and runs thus in the said notice of change. Wages for beedies rolled to be settled at Rs. 2 per thousand from 1st February 1945, the same being the standard wages even in the future and every factory should adopt it with effect from 1st February 1945. The Labour representative urged that this was necessary in the interests of the workers engaged in the Beedi Factory. When questioned as to how he could demand a standard wage rate applicable for all times and to all factories irrespective of the conditions prevailing at any time, he said that he would modify the demand and confine the question of wage rate enhancement for the present tme and to this factory.

The Association Representative explained the demand. The Proprietor replied that he was already paying the labourers at Rs. 1-10-0 per every 1,000 beedies rolled. He states that he was paying only annas ten per thousand formerly and as a result of previous notice for increase on the ground of increased cost of living, an agreement was effected on 18th December 1943 according to which the Management agreed to pay 15 annas per thousand and that though there was no mention of Dearness Allowance in that agreement, the increase was only on the request of the Labour Association for enhancement in consideration of rise in the cost of living and that as a result of competition between the Factories, this 15 annas was raised from time to time and finally to Rs. 1-10-0 which is now prevailing, though there was no demand from the workers. He adds that the present rate which exceeds the original rate of ten annas by Re. 1 includes dearness allowance though not termed as such and that under the circumstances any increase above the present rate of Rs. 1-10-0 is not possible. The Association Representative contends that the present rate of Rs. 1-10-0 was only wage rate and that it did not mention anywhere that it included dearness allowance and urges that it should be raised to Rs. 2 as was paid some time back for a while. The proprietor contends that it is not possible to pay anything more than the present rate.

After further discussions and consultation with the workers, the Association Representative states that by whatever name the payment is made the workers want at least Rs. 1-12-0 per thousand. But the Proprietor says that it is not possible to accept even this reduced demand. He (the Factory Proprietor) was asked to consider it over and time was given. Finally he says it is not possible. The Association Representative presses the demand; but the Proprietor says that it cannot be accepted. So, the parties did not come to a settlement regarding this demand.

Demand No. 2—(Re : Grant of Dearness Allowance).

The Association Representative urges for the payment of dearness allowance calculated on the cost of living index. The Proprietor contends that the wage now paid by him includes Dearness Allowance and that no separate Dearness Allowance is possible. The Association pressed the demand. The Proprietor is not agreeable. Hence no agreement could be effected in respect of this demand.

Demand No. 3.—(Grant of Bonus)

The Labour Representative urges for the payment of a month's wages in the year as bonus to the workers. The Proprietor says that such payments are not made is Beedi Eactory any where and he could not accept it. The Association representative presses the demand. The Proprietor is not agreeable to accept the demand. So, no agreement is possible in regard to this demand.

All possible ways of settlement were explored but the parties did not come to a settlement in regard to demands Nos. 1, 2 and 3.

The proceedings in regard to these demands (*viz.*, 1,2 and 3) thus ended in failure, which I hereby report.

I request that this report may be published in the Gazette, as required in sub-section (4) of section 12 of the Mysore Labour Act.

I have the honor to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.

Under Section 12 (4) of the Mysore Labour Act XIII of 1942, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information, the accompanying report of the Chief Conciliator in Mysore in the matter of the industrial dispute between the G. R. Ameerjan, Beedi Factory, Labour Association, Gundlupet and the Management of the concerned Beedi Factory in regard to the demands made by the Association for increased rate of wages, etc.

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 43—44-45, dated 6th August 1945.

From

M. Navaneetham Naidu, Esqr., B.A., B.L.,
Chief Conciliator in Mysore.

To

Mohamed Ismail Sheriff, Esqr., B.A.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to make the following report, under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the G. R. Ameerjan, Beedi Factory, Labour

Association, Gundlupet and the concerned Beedi Factory in regard to the demands (noted below) made by the Association.

2. The President of the said Labour Association gave a notice of change dated 4th April 1945, to the Proprietor of the said Beedi Factory setting forth the following six demands :—

Demand No. 1—Enhancement of the wage rate to Rs. 1-12-0 for thousand beedies rolled.
Demand No. 2.—Uniform wages for uniform work.
Demand No. 3.—Grant of Dearness Allowance.
Demand No. 4.—Grant of Bonus.
Demand No. 5.—Settlement of standing orders.
Demand No. 6.—Daily settlement of wages.

3. The Assistant Commissioner of Labour reported to the Commissioner of Labour that it was impossible to secure the presence of the Proprietor for discussing the matter and hence no agreement could be brought about between the parties and that the matter may be referred to the Chief Conciliator for initiating conciliation proceedings. The Commissioner of Lobour accordingly referred the matter to this Office under Section 10 (3) of the Labour Act.

4. The case was accordingly registered as C. C. 43—44-45. It was posted for 2nd August 1945 at Mysore. Intimations were accordingly issued. The case was taken up at Mysore camp on the 2nd and the 3rd instants.

5. The President (Mr. Subbanaika) of the Labour Association appeared on behalf of the Association. Neither the Factory Proprietor nor any representative on behalf of the Factory is present and no letter of excuse is received either.

6. The Assistant Commissioner of Labour, (Mr. G. N. Puttanna) Mysore, was present.

7. As the other side (*i.e.*, the Management) is absent for the conciliation proceedings even after intimation, no conciliation or settlement is possible and it has to be presumed that the Proprietor is not willing to a conciliation or settlement of the dispute. Hence, this has to be taken as a case of failure of the proceedings in regard to these demands.

8. I request that this report may be published in the Gazette, as required in Sub-section 4 of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.

Sir,

I have the honor to make the following report, under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Peer Beedi Factory Labour Association, Mysore, and the concerned Beedi Factory, in regard to the demands (Nos. 1, 2 and 3) for enhancement of the wage rate, grant of Dearness Allowance and Grant of Bonus, respectively made by the Association.

2. The President of the said Labour Association gave a notice of change dated 4th February 1945 to the Proprietor of the said Beedi Factory setting forth the following four demands :—

Demand No. 1—Enhancement of the wage rate to Rs. 2 for thousand beedies rolled.
Demand No. 2—Grant of Dearness Allowance.
Demand No. 3—Grant of Bonus.
Demand No. 4—Settlement of standing orders.

3. As the Assistant Commissioner of Labour, Mysore, was not able to bring about a settlement between the parties, the Commissioner of Labour referred the case to this office, for initiating conciliation proceedings under Section 10 (3) of the Mysore Labour Act.

4. The case was accordingly registered as C. C. No. 36—44-45 and conciliation proceedings were held at Mysore camp on the 2nd and 3rd August 1945 after intimation to both the parties.

5. The Labour Association was represented by Mr. Syed Moosa, President of the Association, while the Management was represented by Mr. Abdul Rahim, Proprietor of the Factory. The Assistant Commissioner of Labour, Mysore (Mr. G. N. Puttanna) was also present throughout.

7. For the purpose of this report under Section 12 (4) of the Act, I shall deal with the demands (Nos.) 1, 2 and 3) in respect of which the parties did not come to a settlement.

8. *Demand No.* 1—This demand is for enhancement of the wage rate and runs thus in the notice of change : "Wages for beedies rolled to be settled at Rs. 2 per thousand from 1st February 1945, the same being the standard wages in the future, and every Factory should adopt it with effect from 1st February 1945. The Labour representative stated that this was necessary in the interests of the workers engaged in the Beedi Industry. When questioned as to how he could insist on a standard wage rate for all times and to all factories, irrespective of the conditions prevailing at any time and in each factory, he says that he modifies the demand and confines the question of wage rate enhancement to this factory and for the present.

9. The Proprietor of the Factory points out that the workers are already being paid Re. 1 more than the original rate of 10 annas per thousand beedies rolled and that it is not possible to pay anything more. He further states that as a result of previous notice for increase on the ground of increased cost of living an agreement was effected on 18th December 1943 according to which the management agreed to pay 15 annas per thousand and that though there was no mention of Dearness Allowance in that agreement, the increase was only on the request of the Labour Association for enhancement in consideration of rise in the cost of living, and that as a result of competition between the factories, this 15 annas was raised from time to time and finally to Rs 1-10-0 now prevailing, though there was no demand from the labourers and that the present rate which exceeds the original rate by Re. 1 includes the Dearness Allowance. He says that under the circumstances any increase above the present rate of Rs. 1-10-0 per thousand is not possible. The Association representative contends that the present rate of Rs. 1-10-0 is only a wage rate and that it did not mention anywhere that it included Dearness Allowance and urges that it should be raised to Rs. 2 per thousand as was paid, some time back, for a while. The Proprietor says that it is not possible to pay anything more than the present rate. After further discussion and consultation with the workers the Association representative states that by whatever name the payment is called the workers want at least Rs. 1-12-0 per thousand. But the Proprietor is not agreeable to accept even this reduced demand. The Factory Proprietor was asked to consider it over and time was given. Finally he says it is not at all possible.

10. The Association Representative presses the demand but the proprietor says that it cannot be accepted. So there is no agreement between the parties on this demand.

Demand. No 2.—(*Re.* Grant of Dearness Allowance.)

The Association representative urges for the payment of Dearness Allowance calculated on the cost of living index. The Proprietor contends that the wage now paid by them includes Dearness Allowance and that no separate Dearness Allowance is possible. The Association representative presses the demand. The Proprietor is not agreeable. Hence no agreement could be effected in respect of this demand.

Demand No. 3.—(*Re* grant of Bonus).

The Labour representative urges for the payment of a month's wages in the year as bonus to the workers. The Proprietor says that such payments are not made anywhere and he could not accept it. The Association representative presses the demand. The Proprietor is not agreeable to accept the demand. So no agreement is possible in regard to this demand also.

All possible ways of settlement were explored but the parties did not come to a settlement in regard to the above demands.

The proceedings in regard to these demands (Nos. 1, 2 and 3) thus ended in failure, which I hereby report.

I request that this report may be published in the Gazette, as required in sub-section 4 of Section 12 of the Mysore Labour Act.

No. SR. 496 L. W. 5-45-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore of the industrial dispute between the Management and the Labour Association of the Driver's Beedi Factory, Gundlupet, in respect of the increased rate of wages, etc., demanded by the Association.

1050 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 42—44-45, dated 6th August 1945.

From

M. Navaneetham Naidu, Esqr., B.A., B.L.,
Chief Conciliator in Mysore.

To

Mohamed Ismail Sheriff, Esq., B.A.,
General Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to make the following report, under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Driver's Beedi Factory Labour Association, Gundlupet and the concerned Beedi Factory, in regard to the demands (noted below), made by the Association.

2. The President of the said Labour Association gave a notice of change, dated 4th April 1945, to the Proprietor of the said Beedi Factory, setting forth the following six demands:—

Demand No. 1.—Enhancement of the wage rate to Rs. 1-12-0, for thousand beedies rolled.
Demand No. 2.—Uniform wages for uniform work.
Demand No. 3.—Grant of Dearness Allowance.
Demand No. 4.—Grant of Bonus.
Demand No. 5.—Settlement of Standing orders.
Demand No. 6.—Daily settlement of wages.

3. The Assistant Commissioner of Labour reported to the Commissioner of Labour that it was impossible to secure the presence of the Proprietor for discussing the matter and hence no agreement could be brought about between the parties, and that the matter may be referred to the Chief Conciliator for initiating conciliatton proceedings. The Commissioner of Labour accordingly referred the matter to this office under Section 10 (3) of the Labour Act.

4. The case was accordingly registered as C.C. 42—44-45. It was posted for 2nd August 1945 at Mysore. Intimations were accordingly issued. The case was taken up at Mysore camp on the 2nd and the 3rd August 1945.

5. The Secretary (Mr. Chennabasavanaika) of the Labour Association appeared on behalf of the Association. Neither the Factory Proprietor nor any representative on behalf of the Factory, turned up on the 2nd or on the 3rd and no letter of excuse is received either.

6. The Assistant Commissioner of Labour, Mysore (Mr. G. N. Puttanna), was present.

7. As the other side (Management) is absent for the conciliation proceedings, even after intimation no conciliation or settlement is possible and it has to be inferred that the Proprietor is not willing to a conciliation or settlement of the dispute. Hence, this has to be taken as a case of failure of the proceedings in regard to these demands.

8. I request that this report may be published in the Gazette, as required in sub-section 4 of Section 12 of the Mysore Labour Act.

I have the honour to be
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.

Under Section 12 (4) of the Mysore Labour Act XIII of 1942, as amended from time of time, the Government of His Highness the Maharaja to Mysore, are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in the matter of the industrial dispute between the Jahangir Beedi Factory Labour Association, Mysore and the management of the concerned Beedi Factory, in regard to the demand (*viz.*, for enhancement of the wages-rate, etc.) made by the Association.

1049 MOHAMED ISMAIL SHERIFF, *Genl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE BANGALORE.

No. C. C. 35—44-45, Camp Mysore, dated the 3rd August 1945.

From

M. Navaneetham Naidu, Esqr., B.A., B.L.,
Chief Conciliator in Mysore.

To

Mohamed Ismail Sheriff, Esqr., B.A.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Jahangir Beedi Factory Labour Association, Mysore, and the concerned Beedi Factory, in regard to the demand (No. 1, for enhancement of the wage rate) made by the Association.

2. The President of the said Labour Association gave a notice of change dated 4th February 1945 to the Proprietor of the said Beedi Factory setting forth the following four demands:—

Demand No. 1—Enhancement of the wage rate to Rs. 2 for thousand beedies rolled.
Demand No. 2—Grant of Dearness Allowance.
Demand No. 3—Grant of Bonus.
Demand No. 4—Settlement of Standing Orders.

3. The Proprietor of the factory replied to the effect that the demands Nos. 1, 2 and 3 could not be conceded and the settlement of Standing Orders (Demand No. 4) is a matter for the consideration of the Labour Commissioner. The Assistant Commissioner of Labour was not able to bring about a settlement between the parties. The case was then referred by the Labour Commissioner for initiating conciliation proceedings under Section 10 (3) of the Mysore Labour Act.

4. The case was accordingly registered as C. C. No. 35 of 44-45 and conciliation proceedings were held at Mysore camp on the 2nd and 3rd August 1945, after intimation to both the parties.

5. The Labour Association was represented by the President, Mr. K. S. Sridhar, while the Proprietor of the Factory, Mr. S. A. Gaffoor was present for the Management. The Assistant Commissioner of Labour (Mr. G. N. Puttanna) Mysore, was also present throughout.

6. These four demands were taken up one by one and were fully discussed on both sides, with the result that the parties did not come to a settlement in respect of the demand No. 1, while the other three demands were withdrawn.

7. For the purpose of this report (under Section 12 4) of the Act, I shall deal only with the demand No. 1 in respect of which the parties did not come to a settlement.

8. *Demand No.* 1—This demand is for enhancement of the wage rate and runs thus in the notice of change:—

"Wages for beedies rolled to be settled at Rs. 2 per thousand from 1st February 1945, the same being standard wages even in the future, and every factory should adopt it with effect from 1st February 1945."

The labour representative urged that this was necessary in the interests of the workers engaged in the Beedi Industry. When questioned as to how he could insist on a standard wage rate applicable for all times and to all factories, irrespective of the conditions prevailing at any time, he said that he would modify the demand and confine the question of wage rate enhancement for the present time and to this factory.

9. The Factory Proprietor replied that the workers are already being paid ten annas as wages and Re. 1 as Dearness Allowance, *i.e.*, total Rs. 1-10-0 for every thousand beedies rolled and that it was not possible to pay anything more. The Labour Representative contended that the factory proprietor had already agreed to pay Rs. 0-15-0 per thousand beedies, as per their agreement dated 18th December 1943 and that the

rate was raised from time to time to the present rate of Rs. 1-10-0 and there was no mention of Dearness Allowance in the present demand. In reply, it was stated by the Factory proprietor that though there was no mention of Dearness Allowance in that agreement, the increase was only on the request of the Labour Association for enhancement in consideration of the cost of living and as such all payment in excess was by way of Dearness Allowance. The Association representative admits that the workmen are now getting Rs. 1-10-0 per thousand beedies rolled, though the agreement is only for fifteen annas, but as there was no question of Dearness Allowance at the time of agreement, the entire amount *viz.*, Rs. 1-10-0 paid per thousand beedies is only wage rate and that the same should be raised to Rs. 2 per thousand. The Management contends that the enhanced rate paid above fifteen annas is purely due to competition between the factories and not at the request of the Association and that it is not possible now, for the factory to pay anything more.

10. After further consideration and consultation with the workers, the Association Representative stated that by whatever name the payment is called, the workers want at least Rs. 1-12-0 per thousand and that the demand cannot be reduced further. The Factory Proprietor says that even this reduced demand cannot be accepted by him and that the business position does not permit him to pay at the rate of Rs. 1-12-0. The Factory Proprietor was asked to consider it further and time was given. Finally, he says it is not at all possible in the present circumstances.

11. The Association Representative pressed the demand, but the Factory Proprietor regretted the demand could not be conceded. So the parties did not come to a settlement in respect of this demand.

12. All possible ways of settlement were explored but the parties did not come to a settlement in regard to this demand.

13. The proceedings in regard to this demand thus ended in failure, which I hereby report.

14. I request that this report may be published in the Gazette, as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Concilator.

Whilst Capt. C. S. Ganapathy, 2nd Mysore Infantry, was supervising grenade throwing, a recruit, after having pulled out the safety pin, accidentally dropped a grenade at his feet.

Capt. Ganapathy with great presence of mind and at great personal risk immediately picked up the grenade and threw it but it burst shortly after it left his hand causing him severe injuries.

This highly commendable action undoubtedly prevented fatal or serious injury to three sepoys who were standing nearby."

No. S. R. 899 L. W.—12-45-2. Under Section 12 (4) of the Mysore Labour Act XIII of 1942, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in the matter of the Industrial dispute between the Management and Labour Association of the Gaffar Beedi Factory, Mysore, on the question of payment of compensation, opening of Branch Factories, etc.

MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 35—44, dated the 22nd August 1945.

From

M. Navaneetham Naidu, Esq., B.A., B.L.,
Chief Conciliator in Mysore.

To

Mohamed Ismail Sheriff, Esq., B.A.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to make the following report, under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Gaffar Beedi Factory Labour Association, Mysore, and the concerned Beedi Factory, in regard to certain demands (*re* the payment of compensation, opening of Branch Factories, etc.) made by the Association.

2. The President of the said Labour Association gave a notice of change, dated 2nd December 1944 to the Management and then sent a letter dated 26th December 1944, amending the notice of change and informing that the subjects for the notice of change should read as detailed below:—

"(1) Illegal lock-out on 25th November 1944 in spite of the intimation of resumption of work by us on 23rd November 1944, and compensation for the period thereof, being a continuation of the illegal lock-out on 21st September 1944."

"(2) Opening of Branches in various parts of the City and even outside."

"(3) Illegal dismissal of the Secretary, Mr. R. Mahamad Khan which need not be considered in this notice of change as it was referred to the Chief Conciliator and has been duly published in the Gazette of 22nd December 1944."

"(4) Immediate framing of the standing orders and sending us a copy to facilitate discussions and early settlement."

"(5) That you (Proprietor of the Factory) give wide publicity through the local newspapers, Kannada, English and Urdu, and printing notices for the information of such of the workers as have gone out, intimating the date on which the Factory will be thrown open, as was desired in our letter of 23rd November 1944 and that such notices be pasted outside the Factory gates for the information of the workers."

The Factory Proprietor sent a reply to the first notice of change (dated 2nd December 1944) thus:—

"Acknowledging receipt of your notice of change, dated the 2nd instant, we write to inform you that the notice presumes the cessation of work in our Factory to be a lock-out which has been enquired into, decided and declared by the Registrar of Associations to be an illegal strike under the Mysore Labour Act, 1942, as it really is. Hence the notice is irrelevant and has no bearing."

For the amended notice of change the Proprietor replied thus:—

"Acknowledging receipt of the amendment on 28th December 1944 at 5-15 P.M. we write to inform you that we have nothing to add to our letter No. 63, dated the 8th instant."

The Commissioner of Labour, referred the matter to this office for initiating conciliation proceedings under Section 10 (3) of the Labour Act, as the Assistant Commissioner of Labour, Mysore, could not bring about an agreement between the parties.

The case was registered and it was posted for hearing at Mysore. After intimations to the parties, the case was taken up on the 2nd and also on the 3rd August 1945 at Mysore camp.

The Labour Association was represented by Mr. M. N. Ugrappa, Vice-President of the Association, while the Proprietor of the Factory was represented by the Manager (Mr. A. R. Shereef).

The Assistant Commissioner of Labour (Mr. G. N. Puttanna), Mysore, was also present throughout.

The demands under reference were considered one by one, with the result noted below:—

Subject No. (1) *above.*

The Factory Management raised in the correspondence the following contentions in this respect:—

(*a*) that this Labour Association has to be presumed as having ceased to exist inasmuch as the labourers represented by this Association commenced a strike on 21st September 1944 and are still continuing a strike even after the Registrar of Associations declared (on 2nd November 1944) the strike as illegal;

(*b*) that, further, these workers have since taken up work in other Beedi Factories and did not come back to this Factory for work;

(*c*) that, as such, the notice of change under reference is not valid and cannot be considered by the Management.

The Labour Representative argues that the contentions of the Management cannot be accepted and that it is not a case of strike by the workers but one of illegal lock-out by the Management and that the Association had brought this to the notice of the Registrar and asked for a declaration.

It was pointed out that this question of 'strike' according to the Management, and of lock-out' according to the Association has been considered and disposed of by the Registrar of Associations on the applications received from each side for a declaration. The Registrar has declared (on 2nd November 1944) the cessation of work in this factory as an illegal strike by the employees and there is no declaration given that there is a 'lock-out' by the Management. On the first application of the Association (dated 15th October 1944 and received on 24th October 1944) to declare it as an 'illegal lock-out' by the Management, the Registrar has on examination of the question, held (on 27th October 1944) that the cessation of work in the factory cannot be considered to be in pursuance of lock-out and that the question of lock-out does not arise. On the next application of the Association (dated 30th December 1944 and received on 8th January 1945) to declare it as an illegal lock-out, the Registrar has replied that no such declaration could be given in the absence of sufficient material. There has been no further application from the Association for the lock-out declaration. The question of lock-out declaration does not arise now after the lapse of so many months.

In the present demand No. 1, the Association seeks to question the correctness of the Registrar's decisions and to assume an illegal lock-out on the part of the Management. That would be going beyond the scope of the conciliation proceedings.

In the circumstances, it was pointed out to the Labour Representative that this is not a proper demand for conciliation proceedings. He, however, presses the demand. The Management's representative says, it cannot be accepted. So no agreement possible in this subject.

Subject No. 2 *above.*

The Association representative urges that the Proprietor of the Factory should not open branches in various parts of the City or even outside. The Management does not agree as it is purely a business matter to be left to the Proprietor's discretion. The Association presses the demand. The management representative says, it cannot be accepted. So no agreement possible on this subject.

Subject No. 3 *above.*

As this matter has already been disposed of, the Association has withdrawn this demand.

Subject No. 4 *re* Standing Orders.

This demand relating to the question of framing Standing Orders does not come for conciliation proceedings, as the matter is one to be settled by the Labour Commissioner. It is said that the Management has sent a draft of Standing Orders, in English and that the preparation of a copy in Kannada is pending. This is pointed out to the Association's representative. Still, he presses the demand. No agreement is possible.

Subject No. 5.

The Association wants the proprietor to publish in the newspapers, and by printed notices for the information of the workers the date on which the factory will be thrown open. According to the Management, this question does not arise and the position is as noted above under subject No 1 and there is no lock-out or closing of the Factory by the Management. The Association Representative presses this subject, but the Management cannot accept it. Hence no agreement is possible on this demand either.

All possible ways of settlement were explored, but the parties did not come to a settlement in regard to these demands No. (1), (2), (4) and (5).

The proceedings in regard to these demands thus ended in failure, which I hereby report.

I request that this report may be published in the Gazette, as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be,
Sir,
Your most obedient servant,

1380 NAVANEETHAM,
Chief Conciliator.
